*Even though the new cookbook has just been published, our original cookbook remains a favorite.*

*It was created because of the frequent requests of Cal-a-Vie's guests, who after having sampled our many delicious dishes, insisted on having them in published form. Within these pages you will find a collection of some of Cal-a-Vie's past favorite recipes. These meals were designed with loving care and taste tested by some of the most fastidious of palates.*

*We continue to offer these recipes to our guests and to cooks everywhere who want to share the best of foods with family and friends without sacrificing health. Bon appetit to the health conscious bon vivant!*
