

Beauty Treatments

SPA PACKAGE FACIALS

Luminescence Facial 50 min. \$165

This facial targets dull, drab and lifeless skin with a natural lightening ingredient. It will brighten the skin, decrease hyperpigmentation, and even the skin tone. Your skin will look and feel smooth and supple.

Elegant Eye Lift 50 min. \$165

This is a specialized treatment for the delicate tissues surrounding the eyes. The treatment targets crow's feet, dark circles, and puffiness. You will come away feeling soothed and pampered.

Intra-Layering Revival Facial 50 min. \$165

A rejuvenating multi-layer skin treatment to soften expression lines, brighten the skin, and deeply hydrate from the inside-out.

Stem Cell Facial 50 min. \$165

This is a one-of-a-kind treatment which utilizes growth factors to replace damaged collagen and elastin fibers. Your skin's ability to protect and renew itself will be stimulated, and potent antioxidants will rebuild and revitalize your skin. Skin texture will quickly begin to appear smooth, supple, firmer, and more resilient.

Peptide & Collagen Facial 50 min. \$165

This innovative, clinically proven treatment combines peptides and collagen to address all signs of aging. Problem areas get a double dose of lifting and tightening ingredients accompanied by a relaxing and firm facial massage.

Rejuvenating Age-Protect Facial 50 min. \$165

This facial utilizes cutting edge antioxidant products to protect the skin from the damaging effects of free radicals. Exfoliating enzymes paired with a microdermabrasion scrub delicately smooth and refine; while skin-rescuing technologies prevent and correct the visible signs of aging. The skin receives an extra boost of nourishment and moisture. Your skin is dramatically restored to a more youthful appearance with this age-protecting treatment.

Restorative Deep Pore Cleanse 50 min. \$165

This facial is the ideal treatment for guests with oily or acne-prone skin. It's also a great option for those who want to refresh their skin; regardless of skin type. Our esthetician cleanses and purifies the skin, then focuses on the extraction of whiteheads and black heads; as well as on acne and other impurities in the skin. Then, a soothing mask is applied to moisturize and revive the skin.

Sensitive Soothing Facial 50 min. \$165

This facial is an extremely calming treatment and is beneficial for even the most sensitive skin. A soothing and restorative skin treatment for those individuals who experience redness, irritation and dryness. A combination of vitamins and antioxidants rebalance and restore your skin's integrity.

Lift & Tone Tuning Fork Facial 50 min. \$165

This non- invasive anti-aging Acutonics facial provides a natural solution to lift and firm the skin while calming the mind and body with healing sounds and vibrations of tuning forks. Acutonics facials are known to increase circulation, decrease wrinkles, and stimulate collagen and cells giving an overall glow and improved skin tone while balancing the mind, body and spirit. Two forks are placed on specific points on the face to lift and tone areas such as the chin, neck, jawline and eyelids. This results in lifting, toning, and firming the skin. A vigorous exfoliation and deep hydration mask create the perfect balance of mind and beauty.

Back Facial 45 min. \$100

This treatment purifies and tones the skin on the back with the refined technique of our finest Cal-a-Vie facial. A relaxing hot stone neck massage completes this treatment.

ENHANCEMENTS FOR PACKAGE FACIALS

Radiant Refining Peel\$50

A remarkably effective peel that brightens and lightens tired dull skin, delivering a radiant and luminous complexion. This peel is also great for dehydrated and sensitive skin.

LED Light Therapy\$75

Scientific studies and dermatologists agree that LED Red Light Therapy can help rejuvenate the skin. It has also been proven beneficial for pain management. Blue Light Therapy is used to effectively treat Acne.

Microcurrent Lift\$50

Commonly referred to as, Pilates for the face, micro-current works out the muscles of the face and stimulates collagen and elastin production in the tissues of the face and neck. This non-surgical facelift, combined with a deep firming and lifting facial improves skin tone and smooths the complexion.

Microdermabrasion\$75

One of the easiest, safest and most effective anti-aging treatments you can get. Microdermabrasion has many benefits; including softening fine lines and wrinkles, smoothing coarsely textured skin, decreasing the appearance of shallow scars, decreasing pore size, and reducing superficial hyper-pigmentation. Microdermabrasion also makes it easier for high-tech serums and skin care products to penetrate into the deep layers of the skin.

Oxygen Infusion.....\$100

The infusion of Oxygen under light pressure aids delivery of age defying ingredients as they cool and calm the skin. The unique oxygen rejuvenation serum contains lightweight Hyaluronic Acid and a powerful combination of vitamins and antioxidants. These ingredients instantly hydrate the skin resulting in increased firmness, reduced appearance of fine line and wrinkles, improved facial contours, and overall radiance.
